

Sermon Discussion:

Take a few minutes to talk about today's lesson over the phone with a friend or among your family...

1. Daniel served across multiple political administrations and cultural conditions. How would you describe his service at work and to his God?
2. The book of Daniel makes it clear that Daniel has a strong faith prior to his captivity in Babylon. However, he will continue to face challenges and suffering throughout his life there. What are some of the challenges that you see, and how could those situations have continued to strengthen and increase his faith?
3. Daniel's faith and perspective contributed to his ability to remain steadfast in suffering. What are some steps that you can take to develop either your faith or perspective?
